Explanation of changes and other important information

We changed your return based on the information you gave us through our Change My Return Service.

As a result of this reassessment, we changed your federal amount for CPP contributions payable on self-employment and other earnings from **\$0.00** to **\$888.52**.

We also made the same change to your British Columbia amount. For more information, see the explanations for lines 31000 and 58280 in your income tax package.

As a result of this reassessment, we changed your deduction for CPP or QPP contributions on self-employment and other earnings to **\$457.32**.

Your net income changed because of the change we made. We use your net income to calculate your Canada child benefit (CCB), goods and services tax/harmonized sales tax (GST/HST) credit, and any related provincial or

territorial benefits. If any of these amounts change, we will send you a notice explaining the change. We may also keep all or part of your next CCB, GST/HST credit, and any related provincial or territorial benefit payments until any balances owing are paid.

We changed your federal tuition, education, and textbook amounts from **\$0** to **\$105**. This includes **\$105** of unused federal amounts from prior years.

Based on this reassessment, you have unused federal tuition, education, and textbook amounts of **\$395** that you can carry forward to later years. To make sure we calculate your unused amounts correctly, you need to file a return each year, even if you have no income to report.

We changed your total federal non-refundable tax credits to **\$1,890** and your total British Columbia non-refundable tax credits to **\$562**.

Your Canada training credit limit for next year is **\$250.00**.

This credit will expire at the end of the year you turn 65 or the year of death.

We charged you arrears interest of **\$18.17** on the balance you owe. We calculated this interest to the date of this notice.

You can avoid more interest charges if you pay the balance due by **March 17, 2021**.

Because your net income has changed, we recalculated your federal and British Columbia medical expenses.

If you have questions about your reassessment, please call our Individual Tax and Enquiries line at **1-800-959-8281**.
